3. Handling of Reports

All Complaints should contain as much specific information as possible to allow for proper assessment of the nature, extent and urgency of the matter that is the subject of the Complaint and to allow the conduct of a proper investigation, if warranted. All Complaints will be recorded and reported to the Chair of the Audit Committee for Complaints relating to financial reporting and related issues and to the Chair of the Corporate Governance and Nominating Committee for all other Complaints.

Depending on the nature of a Complaint, and its materiality, investigations will be conducted as quickly as possible using internal and external resources, as appropriate. All Blossom Personnel, including the complainant, shall cooperate fully. Appropriate corrective action will be taken if warranted by the investigation.

4. Confidentiality

The Company shall treat all Complaints as confidential to the fullest extent permitted by applicable laws. Generally, a report of a Complaint will only be disclosed to those persons who have a need to know in order to properly carry out an investigation of such Complaint.

5. No Retaliation

The Company does not tolerate acts of retaliation or retribution, including demotion, discharge, discipline, discrimination, harassment, suspension or threats against any Blossom Personnel who make a good faith report of a Complaint. Blossom Personnel who retaliate or seek retribution against a person having made a good faith report of a Complaint will face disciplinary action, which may include termination or dismissal.

Any Blossom Personnel submitting a Complaint or reporting a concern must be acting in good faith and have reasonable grounds for believing the information disclosed. If an investigation reveals that a Complaint was frivolously made or undertaken for improper motives or made in bad faith or without a reasonable and probable basis, disciplinary action may be taken as appropriate in the circumstances.

6. Retention of Records

Records of any Complaints shall be retained for a period of no less than seven years.

7. Review
